### A Rose in Red

A girl in red, a quiet grace,  
Her dress adorned in ruffles and lace.  
Her dress blooms out, like a rose in spring,  
Her eyes reflect the beauty within.

She holds her friend, a gentle sight,  
Her furry friend, her heart's delight.  
The pup's lost eyes, the girl's soft gaze  
Both lost in thoughts, both lost in haze.

The room is still,  
The world stands still,  
Yet in her eyes, there's will,  
And in her heart there's thrill.
